

PRIMA Lighting L.E.D. Light Sources

Prima Lighting now offers
L.E.D. light solutions.

Available for Prima's
most popular systems:
FIT; Monorail; Minirail
and Picture lights.

They can be used in any
appropriate Prima fixture that takes an MR16 GU5.3 base
lamp.

Add in Prima's patented hand held remote unit and your
lighting solutions can take on any look you like. See pages
210, 211, 213 & 234 in Signature 2006-2007 catalogue
